

Thanks for spending your hard earned dollars on a Macho Man, I think you'll find your decision a smart one, as you've just tucked into the best steel cross race bike we know how to build.

This beauty has all of the AC hallmarks: classy paint, signature headbadge, signature vertical dropouts, E.D. coat inside and out, hidden fender mounts, etc. All of the cable routing is done via the top tube, it's got a barrel adjuster for the front derailleur and a braze on for a pulley should you choose to run a traditional road front derailleur. It also comes with our super sweet Nature Boy fork.

Get out there!
