

RETAILER: This framesheet MUST BE provided to the end user.

You bought a Mr. Pink? You must be the luckiest guy/girl in the world.

The Mr. Pink is pretty much the best road bike in the history of ever. Columbus Zona tubeset, flat-crown steel fork, internal toptube cable routing, clearance for 32mm tires, and hidden fender mounts. From road rides to gravel rides to quick commutes, the Mr. Pink can take you just about anywhere.

When you get it built up, feel free to send over some pics for our blog.

Cheers, AC.

⚠ WARNING: CYCLING CAN BE DANGEROUS. BICYCLE PRODUCTS SHOULD BE INSTALLED AND SERVICED BY A PROFESSIONAL MECHANIC. NEVER MODIFY YOUR BICYCLE OR ACCESSORIES. READ AND FOLLOW ALL PRODUCT INSTRUCTIONS AND WARNINGS INCLUDING INFORMATION ON THE MANUFACTURER'S WEBSITE. INSPECT YOUR BICYCLE BEFORE EVERY RIDE. ALWAYS WEAR A HELMET.

Additional Product and Safety Information can be found at the website: www.allcitycycles.com/safety.

Intended Use: General Purpose Riding

CONDITION 2

Bikes are designed for riding Condition 1, plus smooth gravel roads and improved trails with moderate grades where the tires do not lose ground contact; NO DROPS.

Frameset Compatibility

Tubing	Columbus Zona main tubes, 4130 CroMoly stays
Fork	Flat crown, lugged tips, CroMoly blades. Fork is designed to be interchangeable with most aftermarket carbon forks, though you may also need to swap to a short reach brake.
Seatpost Diameter	27.2mm
Headset	1-1/8" threadless, SHIS upper EC34, SHIS lower EC34, crown race 30.0mm, clamp diameter 28.6mm
Front Derailleur Clamp	28.6mm
Bottom Bracket Shell	68mm, English threading
Brake Mounts	Mid-reach 47–57mm, road calipers
Rear Spacing	130mm
Tire Clearance	700c x 32mm

Care and Maintenance

Keep your frame clean. Dirt and road grime lead to oxidation and fading of the finish, and they make it hard to do a thorough inspection. Dirt will accelerate any abrasion of the paint that comes from rubbing, such as places where the cable housing touches the frame. In extreme cases, this type of abrasion could remove frame material.

When your bicycle is not being ridden, store it where it will be protected from rain, snow, sun, etc. Rain or snow may cause the metal on your frame to corrode. We recommend applying J.P. Weigle's Frame Saver to the inside of the tubes before the frame is assembled into a bike.

If your bicycle was exposed to moisture during a ride, thoroughly dry the bicycle before storing it. If water got inside the frame, tilt the bicycle to drain the water. If necessary, remove the seatpost and turn the bicycle upside down. This is especially critical if there is a large amount of water inside. If water freezes inside your frame, the expansion of the ice can crack and rupture the structure.

Before storing your bicycle for an extended period of time, clean and lubricate the frame with a frame wax, polish, or protectant. Do not store the bicycle near electric motors, as ozone from motors destroys paint. Before riding the bicycle again, follow the pre-ride checklist to be certain it is in good working order.

Inspection

Before every ride carefully inspect your frame for signs of fatigue. If any frame part shows signs of damage or fatigue, consult your dealer or replace the frame before riding the bicycle.

⚠ WARNING: An improperly modified frame, fork, or component can cause you to lose control and fall. NEVER MODIFY YOUR FRAMESET.

⚠ WARNING: Attaching incompatible clamping devices to a fork can lead to fork breakage, causing a loss of control. If you are not sure if a device is compatible, consult your dealer.

Serial Number

Write it down now! Seriously. It's important if your bike is stolen or for questions about your frame. The number is stamped into the bottom of the bottom bracket shell.

Warranty Information

Proof of purchase is required before a warranty claim is processed. All-City Cycles therefore strongly encourages warranty registration at allcitycycles.com. Failure to register will not affect consumer rights, so long as the consumer can show in a reasonable manner proof of original ownership and the date the All-City Cycles product was purchased.

If you have any questions contact info@allcitycycles.com or visit www.allcitycycles.com/safety for more warranty information.
